

Domestic Bliss Staff Kitchen & Laundry Checklist

- Cobweb the room fully
- open microwave and take microwave dish to the sink
- Take bin lid off the bin and put in the sink filled hot soapy water
- Spray inside microwave and close door
- Cobweb kitchen entirely - especially kickboards
- Starting at the door, wipe over the all points, wipe over the front of the fridge, open fridge and wipe the inside where accessible
- Spot clean all cabinet front, sides and top lips
- If there is a window in the kitchen near the sink squeegee this window and buff dry any lines
- Reline bins and wipe the inside and wash the lid
- spray the hotplate or ceramic plate if it's a gas hotplates remove all the black wire and place in the hot soapy water if it's a ceramic plate spray with GRILL clean
- Wipe over the front and inside door of the oven and the bottom of the oven a quick wipe
- Take out the Rangehood filters and place in the dishwasher if it's empty and put onto a run
- if there is items in the dishwasher put these away
- If there are a few dishes at the property please clean them or put into the dishwasher preferably
- if there is a lot of dishes call me for further instructions
- Now clean your benches you need to move everything to one side clean the bench and the splash-back behind it moved it to the other side and then clean that bench
- Wipe over all appliances as you go e.g. kettle coffeemaker toaster ,empty the toaster of crumbs
- Now scrub your sink first with JIF and then with bleach separately make sure you DESCALE around the taps give it a good rinse and then buff all of your chrome and Tap-ware dry
- Clean out the microwave especially the roof inside, buff dry and put your dish back inside
- Is there any barstools please give these a wipe over
- Don't forget the back and sides of the bench
- **Laundry – repeat as above**
